Including in the per person fee:

- Date or event lasting approximately 2.5 to 3.5 hours
- Instruction
- Use of tools
- Glass to practice cutting glass
- Participants are guided in construction of
 - 1 or 2 pieces 4X4 (coasters)
 - 1 larger piece, either free-form or geometric
- One firing

Plus materials –

Colored glass, frit, and stringers are stacked on top of a base of either clear or white tekta glass.

	clear tekta base	white tekta base	colored glass
4" X 4" square	\$2.25	\$3.50	\$4.40
6" X 6" square	\$5	\$8	\$8.75
6" X 12" rectangle	\$10	\$15.80	\$17.50
12" X 12" square	\$20	\$31.60	\$35

- Stringers
 - \$0.50 each
- Frit
 - \$1.75 per ounce

Additional charge for glass, stringers, or frit of dichroic, rare, or unusual glass

Optional Fused Glass Plan

Includes having your piece coldworked for you after the first firing and then slumped in an additional firing

Coldworking is grinding and polishing the edges so they're rounded properly, necessary if the piece is slumped.

Slumping is placing the flat piece onto a mold, then heating in a kiln. The flat piece slumps into a curve resulting in a shallow bowl or tray.
